Issue date: February 13, 2024

USPTO database searched; no conflicting marks found. The trademark examining attorney has searched the USPTO database of registered and pending marks and has found no conflicting marks that would bar registration under Trademark Act Section 2(d). 15 U.S.C. §1052(d); TMEP §704.02.

Applicant must address issues shown below. The referenced application has been reviewed by the

assigned trademark examining attorney. On February 8, 2024, the examining attorney and Ben Costa discussed the issues below. Applicant must respond timely and completely to these issues. *See* 15 U.S.C. §1062(b); 37 C.F.R. §§2.62(a), 2.65(a); TMEP §§711, 718.03.

SUMMARY OF ISSUES:

- REQUIREMENT -- IDENTIFICATION OF GOODS AND SERVICES.

REQUIREMENT -- IDENTIFICATION OF GOODS AND SERVICES

Applicant must clarify the wording in the identification of goods and/or services in International Class(es) 042 because it is indefinite. *See* 37 C.F.R. §2.32(a)(6); TMEP §§1402.01, 1402.03. This wording is indefinite because it does not make clear what the goods and/or services are.

Applicant may substitute the following wording, if accurate:

International Class 042

Telecommunications technology consultancy; Computer technology consultancy; Development, ~~deployment~~ installation, and maintenance of cyber security software ~~and services~~; Consultancy in the fields of ~~cyber and~~ network security; Computer **security services, namely, restricting unauthorized access to computer networks; and electronic network and computer** infrastructure security services, namely, ____; ~~Computer and electronic network and infrastructure security services for desktop, laptop, mobile, and server computers~~; Rental and lease of computer and network systems hardware

The examining attorney notes that additional identifications and/or classifications may be applicable, depending on applicant's intended use of the mark with the identified goods/services. Applicant may amend the identification to clarify or limit the goods and/or services, but not to broaden or expand the goods and/or services beyond those in the original application or as acceptably amended. *See* 37 C.F.R. §2.71(a); TMEP §1402.06. Generally, any deleted goods and/or services may not later be reinserted. *See* TMEP §1402.07(e).

For assistance with identifying and classifying goods and services in trademark applications, please see the USPTO's online searchable [*U.S. Acceptable Identification of Goods and Services Manual*](#). *See* TMEP §1402.04.

Response guidelines. For this application to proceed, applicant must explicitly address each refusal and/or requirement in this Office action. For a refusal, applicant may provide written arguments and evidence against the refusal, and may have other response options if specified above. For a requirement, applicant should set forth the changes or statements. Please see the [Responding to Office Actions](#) webpage for more information and tips on responding.

Please call or email the assigned trademark examining attorney with questions about this Office action. Although an examining attorney cannot provide legal advice, the examining attorney can provide additional explanation about the refusal(s) and/or requirement(s) in this Office action. *See* TMEP §§705.02, 709.06.

The USPTO does not accept emails as responses to Office actions; however, emails can be used for

informal communications and are included in the application record. *See* 37 C.F.R. §§2.62(c), 2.191; TMEP §§304.01-.02, 709.04-.05.

GENERAL GUIDANCE

- **[Check the status](#) of your application periodically** in the [Trademark Status & Document Retrieval \(TSDR\)](#) database to avoid missing critical deadlines.
- **[Update your correspondence email address](#)** to ensure you receive important USPTO notices about your application.
- **[Beware of trademark-related scams](#)**. Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. Verify the correspondence originated from us by using your serial number in our database, [TSDR](#), to confirm that it appears under the “Documents” tab, or contact the [Trademark Assistance Center](#).
- **[Hiring a U.S.-licensed attorney](#)**. If you do not have an attorney and are not required to

have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the registration process. The USPTO examining attorney is not your attorney and cannot give you legal advice, but rather works for and represents the USPTO in trademark matters.
